LET YOUR VOICE BE HEARD

Together, your voice and the voices of others will unite and be heard so the quality of life for everyone will improve. United, through membership in The Arc, our voices are heard as we work to improve the quality of life for people with disabilities.

The Arc of Jefferson and Clearfield Counties provides information and support to people with disabilities, their families, and the community by identifying barriers, building partnerships, and realizing solutions so all children and adults with disabilities can be included in every community. When you join The Arc of Jefferson and Clearfield Counties, you will also become a member of The Arc of Pennsylvania and The Arc of United States. You will receive the newsletters and information about the membership benefits. Together, your voice and the voices of others will be heard and the quality of life for everyone will improve.

The Arc of Jefferson and Clearfield Counties does offer free membership, however; we recommend donation if you are able and feel so inclined as it helps to further our organizations programs and efforts.
