Participants will attend daily classes such as; art, music, nature, and physical education classes taught by certified teachers. In addition, attendees will participate in organized group activities. Past activities have included swimming, roller skating, bowling, camp birthday party, and horseback riding. Activities vary each year. Campers will also be joined by peer counselors for the week at camp.

A nutritious morning and afternoon snack as well as a hot lunch will be provided each day. However, if your camper has a very specific diet, you may provide alternate foods.

Camp Friendship is located near Reynoldsville, off Route 322. All participants are welcome to ride the bus from their appropriate pick up location (aides/TSS/BHS/nurses are also welcome to ride the bus). The approximate times are listed on the attached registration form.
